

WWPS 008/2017

10 January 2017

Dear Parents/Guardians

**WESTWOOD**  
PRIMARY SCHOOL

**SCIENCE WORKSHOP FOR P3 PARENTS – Raising Inquisitive Learners and Use of Graphic Organisers  
(FRIDAY, 20<sup>th</sup> JANUARY)**

The Science Department is organising a workshop for the parents of P3 pupils to encourage them to join their children in exploring the world and uncovering scientific principles in their daily activities. The workshop would also allow parents to learn more about the concept-mapping method, which is widely used for documenting learning visually.

At the end of the workshop, parents should be able to:

- Use the concept-mapping strategy for organising scientific information and to raise awareness of Scientific Literacy
- Have sufficient knowledge to participate in their children's learning so that they can better appreciate Science.
- To inform parents on the format & structure of P3 Formative and Summative Assessments
- Understand how the P3-P4 Science Syllabus is taught in the primary school

**WORKSHOP DETAILS**

Date: Friday, 20<sup>th</sup> January 2017  
Time: 6.00 p.m to 7.30 p.m  
Venue: Westwood Cove @ Westwood Primary School  
For: **Parents Only**  
(Please bring along a pencil and eraser.)

We believe that your participation will help you better support your child in learning Science.

Please log into <https://www.mconline.sg> to book a slot to indicate your interest to attend the workshop. The booking system will be opened for booking from 10 January, Tues (0:00) to 18 Jan Wednesday (23:59).

Please refer to the instructions attached behind for more details.

Please note that availability is limited to the first 80 participants and booking will be done on a first-come-first-served basis.

The booking window will be closed once the quota has been filled. We seek your kind understanding.
