Dear Parents/Guardians

WESTWOOD

Supplementary lessons for Primary 5 Foundation Math (Term 1)

To further support the pupils in their learning, an additional of 2 periods (1 hour) is needed outside formal curriculum time for the teaching of Foundation Mathematics. Hence, your child will be required to attend weekly Foundation Mathematics afternoon supplementary lessons for your child in Term 1 to reinforce the learning of foundational concepts and skills.

Please note the dates for the supplementary lessons:

Week	Foundation Mathematics Monday, 2pm - 3pm
Week 2	09/01/2017
Week 3	16/01/2017
Week 4	23/01/2017
Week 5	Chinese New Year Holiday No supplementary lesson
Week 6	06/02/2017
Week 7	13/02/2017
Week 8	Assessment Week No supplementary lesson
Week 9	27/02/2017
Week 10	P5 School Camp No supplementary lesson

Teachers will guide your child to the canteen for their lunch. Please arrange for your child to have extra cash to purchase food. Pupils who are part of the Pro-Teach will have their lunch with their Pro-Teach schoolmates. After their lunch, their respective subject teachers will take them to the classes for their supplementary lessons.

Pupils will be dismissed via the front gate after their supplementary lessons. Please note there will be no school bus arrangement. Pupils who are part of the Pro-Teach will return back to Pro-Teach classrooms after supplementary programme.

We appreciate your support in this collaborative effort between the parents and teachers of Westwood Primary School. Together we can strive to guide your child to achieve his/her best.

Thank you,

Mr Loh Chee Wei
5T Math Teacher
