2. This is an annual nationwide competition that provides a fun and exciting platform for children to learn Mandarin and create memories with their parents. Families are invited to form teams of up to three persons and put up a five minute performance based on the theme "Childhood Memories". Participating children are to be between 5 to 12 years old. For more information, please visit <http://mandarin.org.sg/en/events/parent-child-talent-competition-2017>
