

WWPS 036 /2017

10 February 2017

Dear Parents/Guardians,

**Singapore Amazing Flying Machine Training Workshop @ Science Centre**

The school aims to provide a well-rounded educational experience to all our pupils. As such, the school has planned a learning journey experience for our Innovation Club pupils. The learning journey will take place during CCA lesson on 17 February. The pupils will be going to the Science Centre. By the end of the learning journey, pupils will have an increased awareness of the different parts of the airplane and be able to design and build a paper aircraft on their own.

The pupils will leave school at 2.30p.m. and be back by 5.00 p.m. on 17 February. Please kindly arrange for your own transport arrangements on that day. Thanks.

Please return the acknowledgement slip to your child's/ward's CCA Teacher by 13 February 2017 (Monday).

We hope that your child will have an enriching experience throughout the learning journey.
