

WWPS 090/2017

23 March 2017

Dear Parents/Guardians

WESTWOOD
PRIMARY SCHOOL

**SCIENCE WORKSHOP FOR P4 PARENTS: Science Concept Applications – Myths & Facts
(FRIDAY, 31st March)**

The Science Department is organising a workshop for the parents of P4 pupils to encourage them to join their children in exploring the world and uncovering scientific principles in the events and activities in their daily lives. The workshop would also allow parents to learn more about the applications of Science concepts in authentic scenarios through some hands-on activities.

At the end of the workshop, parents should be able to:

- Understand how the Lower Block Science Syllabus is taught in the primary school
- Be more aware of Science concept applications in daily lives
- Be informed on the format & structure of P4 Formative and Summative Assessments
